Sir,
In reply to your No 152 D 16th June 99
I have the honour to inform you that
the Station Muni has borne all the
Civil Medical charges of the Station
of the S since 1st April 1883 and has
given grants in aid to Primary Schools
since 1884-85.

2- The Govt of India have recently
passed orders relieving the Station
Municipality from charges on acc
of the B. C. Hospital with effect from

from 1st April 1899 and this Municipality is now only responsible for charges on account of the Alsur Dispensary which aggregate about Rs 2000 per annum.

3. The Govt of India however while relieving the Municipality on account of charges of the B. C. Hospital, at the same time withdrew the Govt Contribution by means of which the charges had been defrayed.

4. In like manner the Govt of India have withdrawn (with effect from 1.4.99) the cess on Abkari, from which the Primary School grants were paid, but they have not as yet relieved the Municipality from the charges on account of such Primary School Education, although it is hoped that they may do so.
